TO THE HONORABLE JEFF BOHM,  
UNITED STATES BANKRUPTCY JUDGE:

Weil, Gotshal & Manges LLP (“**WG&M**”), the attorneys for Express Energy Services Operating, LP (“**EES**”) and its affiliated reorganized debtors in the above-referenced chapter 11 cases (collectively the “**Debtors**” and the “**Reorganized Debtors**”), hereby file WG&M’s first and final application (the “**Application**”) for the allowance of compensation for

services rendered and reimbursement of actual and necessary expenses incurred by WG&M during the period from October 27, 2009 through, and including, December 7, 2009 (the “**Compensation Period**”), pursuant to section 330(a) of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Rules of the United States Bankruptcy Court for the Southern District of Texas (the “**Local Rules**”), and the Guidelines for Compensation and Expense Reimbursement of Professionals (the “**Guidelines**”), and respectfully represents as follows:

### **JURISDICTION AND VENUE**

1. The Court has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334, article 12(c) of the Debtors’ Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code Dated as of November 3, 2009 (Docket No. 171, ex. A, the “**Plan**”), and paragraph 36 of the order confirming the Plan (Docket No. 189, the “**Confirmation Order**”). Consideration of this Application is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

### **BACKGROUND**

2. On October 27, 2009 (the “**Commencement Date**”), each of the Debtors commenced a case under chapter 11 of the Bankruptcy Code. The Debtors were authorized to continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

3. Pursuant to an order of this Court dated November 17, 2009 (Docket No. 122, the “**WG&M Retention Order**”), the Debtors were authorized to retain WG&M as their attorneys to render legal services in prosecution of their chapter 11 cases. Attached hereto as **Exhibit 1** is the Court’s order approving WG&M’s retention and attached hereto as **Exhibit 2**

are copies of (i) the Declaration of Alfredo R. Pérez filed with the Debtors' application to employ WG&M (Docket No. 21, ex. B, the "**Declaration**") and (ii) the Supplemental Declaration of Alfredo R. Pérez filed on November 16, 2009 (Docket No. 103, the "**Supplemental Declaration**").

4. No committee of unsecured creditors, trustee or examiner was appointed in the Debtors' chapter 11 cases.

5. On October 27, 2009, the Debtors filed the Plan, and a disclosure statement (Docket No. 18, the "**Disclosure Statement**") for the Plan. Two days later, this Court issued an order preliminarily approving the Disclosure Statement, approving certain solicitation procedures, and fixing a hearing to consider confirmation of the Plan. (Docket No. 44). Pursuant to that order, this Court held a hearing on December 7, 2009 and entered an order confirming the Plan (Docket No. 189, the "**Confirmation Order**"). The Plan became effective pursuant to its own terms on December 31, 2009 (Docket No. 215, the "**Effective Date**"). This Court entered the Confirmation Order within 41 days from the Commencement Date and the Debtors substantially consummated the Plan within 65 days from the Commencement Date.

6. The Debtors have advised WG&M that, to date, they have filed all monthly operating reports required by the U.S. Trustee and have paid all quarterly fees due to the U.S. Trustee.

### **COMPENSATION REQUESTED**

7. This is WG&M's first and final application for compensation in these cases. Section 330 of the Bankruptcy Code allows a court to award a professional (a) "reasonable compensation for actual, necessary services" rendered by a professional and by any paraprofessional person employed by such person based on "the nature, the extent, and the value of such services" and taking into account factors such as the "time spent on such services"

and whether the services were necessary and beneficial to the estate, and (b) “reimbursement for actual, necessary expenses.” 11 U.S.C. § 330.

8. As set forth in the Declaration, in the one year prior to the Commencement Date, WG&M received advances in the aggregate amount of \$1,341,436.40 from the Debtors on account of services performed and to be performed, including the commencement and prosecution of these chapter 11 cases, and expenses incurred and to be incurred in connection therewith. Declaration at ¶ 7. Further, for that same one year period, the fees and expenses incurred by WG&M debited against amounts advanced by the Debtors were \$1,226,436.40. Id. The Supplemental Declaration provides that, upon further review by WG&M, the fees and expenses actually incurred during the one year period prior to the Commencement Date were \$1,217,916.13. Supplemental Declaration at ¶ 5. As of the Commencement Date, WG&M had a remaining credit balance in favor of the Debtors in the amount of \$123,520.27 that is held by WG&M as a retainer (the “**Retainer**”). Supplemental Declaration at ¶ 5.

9. In accordance with the WG&M Retention Order, WG&M has not received any amounts from the Debtors for compensation for services rendered or expenses incurred during the Compensation Period.

10. By this Application, and in accordance with sections 330 and 331 of the Bankruptcy Code, WG&M requests final allowance of \$518,588.61 in the aggregate for the Compensation Period. This sum consists of \$490,114.50 as compensation for professional services rendered and \$28,444.11 as reimbursement for actual and necessary expenses WG&M incurred. WG&M further requests the Court authorize and direct the Debtors to pay \$395,038.34, which represents the unpaid aggregate balance of amounts due to WG&M for services rendered and disbursements made during the Compensation Period less the Retainer.

11. There is no agreement or understanding between WG&M and any other person for the sharing of compensation to be received for services rendered in these cases.

12. WG&M's charges for professional services rendered in these cases are billed in accordance with WG&M's existing billing procedures. The rates WG&M charged for the services rendered by its professionals in these chapter 11 cases are the same rates WG&M charged during the Compensation Period for professional services rendered in comparable nonbankruptcy matters and are reasonable based on the customary compensation charged by comparably skilled professionals in comparable nonbankruptcy cases in a competitive national legal market.

13. WG&M submits that this Final Application complies with section 330 of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and the Guidelines.

#### **Time Records**

14. A summary of time billed by WG&M professionals and paraprofessionals during the Compensation Period is attached hereto as **Exhibit 3** and the detailed time records for the Compensation Period are attached hereto as **Exhibit 4**. Both of these exhibits are incorporated herein by reference. The detailed time records contain daily time logs describing the professional services rendered and the time expended by each WG&M professional and paraprofessional during the Debtors' chapter 11 cases. WG&M submits that the time entries comply with the following guidelines: (a) no lumping of time, (b) each activity description includes the type of activity, and (c) each activity description includes the subject matter.

#### **The Core Team**

15. WG&M has staffed this matter with a core group of professionals (the "**Core Team**") to ensure efficiency and to minimize costs. To this end, of the 974.10 hours recorded in the Compensation Period by WG&M partners, associates, and paraprofessionals,

650.5 hours or approximately 66.8% of the total hours, were billed by a core group of professionals with bankruptcy expertise, which consisted of one partner, three associates, and two paraprofessionals. The attorneys comprising the Core Team during the Compensation Period are:

(a) Alfredo R. Pérez

Mr. Pérez is a partner of WG&M and is responsible for overseeing all aspects of this matter. Accordingly, during the Compensation Period, Mr. Pérez' responsibilities primarily involved overseeing and guiding the Debtors through the bankruptcy process, resolving contested matters, presenting key motions and applications at hearings before this Court, providing general corporate strategy, enhancing the Debtors' business operations, and guiding overall bankruptcy strategy.

(b) Christopher M. López

Mr. López is a senior associate of WG&M. During the Compensation Period, Mr. López' responsibilities primarily involved working on issues related to bankruptcy case management, insurance, cash collateral, debtor-in-possession financing, claims administration, solicitation of the Plan, resolution of adequate assurance requests, and resolution of objections to the confirmation of the Plan, as well as assisting the Debtors and their professionals in drafting declarations in support of various motions, prosecuting motions to pay potential lienors, preparing the Plan Supplement and documents contained therein, advising on matters related to executory contracts and unexpired leases, and providing overall bankruptcy strategy.

(c) Manesh J. Shah

Mr. Shah is an associate of WG&M. During the Compensation Period, Mr. Shah's responsibilities primarily involved working on issues related to bankruptcy case management, assumption and rejection of contracts and leases, claims against the estate, solicitation of the Plan, preparing for hearings before this Court, assisting the Debtors and their professionals in drafting declarations in support of various motions, prosecuting emergency motions to pay potential lienors and redact commercially sensitive information from bankruptcy filings, and preparing the Plan Supplement and documents contained therein, and providing overall bankruptcy strategy.

(d) Matthew L. Curro

Mr. Curro is an associate of WG&M. During the Compensation Period, Mr. Curro's responsibilities primarily involved working on issues relating to obtaining debtor-in-possession financing and confirmation of the Plan, including drafting a legal brief in support thereof.

16. From time to time throughout the Debtors' bankruptcy cases, WG&M staffed this matter with other professionals as was required to effectively and efficiently represent the Debtors. These reasons included, for example, staffing additional professionals as appropriate in order to utilize specialized legal expertise or to handle particular issues due to urgent time constraints. In each such circumstance, the Core Team was supplemented by WGM attorneys and paraprofessionals specializing in tax law, commercial litigation, and various aspects of corporate law. WG&M used every effort to avoid unnecessary or duplicative effort. For example, WG&M endeavored to assign to such additional professionals tasks that were separate and discrete and did not require significant amounts of time to explain.

**Summary of Services**

17. Pursuant to Local Rule 2016-1, fee applications must include a detailed description of each major task performed by the applicant. A summary of the significant professional services rendered by WG&M during the Compensation Period, as well as the compensation sought for such services follows herein. The summaries are organized in accordance with WG&M's internal system of task codes.

18. Given that the Reorganized Debtors are a service oriented business, WG&M's primary focus was to move the Debtors expeditiously through the bankruptcy process and restructure the Debtors' senior secured debt. Specifically, WG&M (i) successfully obtained an order two days after the Commencement Date authorizing solicitation of the Plan and preliminary approval of the Disclosure Statement, (ii) prepared witnesses by working with the

Debtors and their professionals; (iii) drafted declarations in support of confirmation of the Plan and other motions, and (iv) prosecuted several motions, often on an emergency basis, to ensure (a) minimal disruption to the Debtors during their bankruptcy process and (b) redaction of commercially sensitive information. Moreover, WG&M assisted the Debtors in (i) restructuring approximately \$330 million in prepetition secured debt by means of the transactions described in the Plan, and (ii) securing debtor in possession financing of \$20 million. Additionally, WG&M engaged in extensive negotiations with parties objecting to the Plan. As a result of these efforts, of the two classes eligible to vote, the Plan received nearly unanimous support from Class 4 (as defined in the Plan) (99.9% in amount) as well as very broad support from the Class 3 (as defined in the Plan) (91.89% in amount). No class eligible to vote for the Plan voted to reject the Plan. Moreover, WG&M worked with various parties in interest to ensure that any objection (either formal or informal) was resolved prior to a hearing before this Court. As a result, the Debtors were able to expeditiously proceed through their bankruptcy process and emerge as reorganized entities within ten weeks of the Commencement Date.

19. Specifically, during the Compensation Period, WG&M rendered professional services as reflected below:<sup>3</sup>

(a) Case Administration (Task Code W110) - \$55,193.00

WG&M professionals engaged in work to address all relevant case issues in a timely manner and facilitate the administration of the cases, including reviewing pleadings filed by parties in interest in the cases, reviewing the case docket and calendar in order to respond timely to objections, responding to inquiries of the Debtors and third parties regarding the administration of the cases, and conferring with the Debtors' other professionals. In order to track deadlines, organize documents, and notify attorneys of upcoming matters, WG&M paraprofessionals engaged in

<sup>3</sup> Attached as Exhibit 5 hereto is a table containing a description of the services provided, as well as a summary of the hours and fees, for each task code discussed below. The numbers after each section heading represent the value of the services rendered.

work related to preparing, maintaining, and reviewing court dockets, creating internal docket updates, creating internal case calendars, creating hearing agendas, creating service lists, filing pleadings, coordinating service of process with the Debtors' servicing agent, organizing hearing notebooks, and updating service lists.

Of the 225.00 billed by WG&M partners, associates, and paraprofessionals to this task code, approximately 88.18% or 198.4 hours were billed by the Core Team.

(b) WG&M Retention/Billing (Task Code W120) - \$906.50

This work primarily included drafting and filing the Supplemental Declaration.

All of the 1.90 hours billed by WG&M to this task code were billed by the Core Team.

(c) Retention/Fee Application: Other Professionals (Task Code W130) - \$837.00

This work primarily included assisting the Debtors' special litigation counsel in the preparation and filing of its retention application, a declaration in support thereof, and responding to inquiries regarding compensation procedures.

(d) Schedules/Statements of Financial Affairs (Task Code W140) - \$22,166.00

This work primarily included assisting the Debtors in the preparation and filing of the Debtors' schedules and statements of financial affairs as well as successfully prosecuting a motion to redact certain commercially sensitive information from the Debtors' schedules.

Of the 38.60 hours billed by WG&M partners, associates and paraprofessionals to this task code, approximately 95.6% or 36.9 hours were billed by the Core Team.

(e) Financing/Cash Collateral (Task Code W200) - \$110,470.50

This work primarily included (i) reviewing and analyzing (a) the Debtors' cash flow projections, (b) financing agreements, and (c) communications with lenders and other parties in interest regarding the same; (ii) drafting, negotiating, and closing on a debtor-in-possession financing facility; and

(iii) successfully obtaining an uncontested interim and final cash collateral order.

The Debtors' bankruptcy cases required complex rearrangement of the Debtors' prepetition secured debt facilities and a major financing transaction. Accordingly, of the 204.70 hours billed by WG&M partners, associates, and paraprofessionals to this task code, approximately 94.97% or 194.40 hours were billed by the Core Team, and one corporate partner and two corporate associates each with expertise in financing transactions and debt restructurings.

(f) Business Operations (Task Code W210) - \$53,730.00

In order to facilitate the seamless continuation of the Debtors' business operations, WG&M professionals engaged in work related to various issues including cash and accounts, management, insurance, vendors, and other operational issues. Time in this category also includes the successful prosecution of motions to pay certain claims to prevent liens being placed on the Debtors' or their clients' property.

Of the 86.70 hours billed by WG&M partners and associates to this task code, approximately 96.2% or 83.4 hours were billed by the Core Team.

(g) Real Property Leases (Task Code W310) - \$6,255.00

The work in this category was performed primarily to review certain non-residential real property lease agreements and to obtain authority to reject certain non-residential real property leases.

Of the 13.80 hours billed by a WG&M partner, and two associates to this task code, approximately 43.5% or 6.0 hours were billed by the Core Team.

(h) Automatic Stay/Adequate Protection (Task Code W320) - \$4,633.00

In order to enforce or modify the automatic stay when appropriate, WG&M professionals engaged in work related to communicating with parties regarding (i) the effect of, and any modifications to, the automatic stay, and (ii) responding to actions by creditors which appeared to be in violation of the automatic stay.

Of the 7.20 hours billed by a WG&M partner, and two associates to this task code, approximately 50.0% or 3.6 hours were billed by the Core Team.

(i) Employee/Benefits Issues (Task Code W 340) - \$450.00

This work related to assisting the Debtors determine amounts due to

employees under certain change of control provisions.

All of the 0.50 hours billed by WG&M to this task code were billed by the Core Team.

(j) Claims Administration Process (Task Code W 400) - \$9,964.00

In order effectively and efficiently address outstanding claims, WG&M professionals engaged in work related to reviewing and analyzing claims, conducting legal research in connection therewith, responding to inquiries concerning proofs of claim, filing objections to certain proofs of claim, reviewing the Schedules and Statements, and exchanging general correspondence with parties regarding claims issues.

Of the 18.10 hours billed by WG&M partners and associates to this task code, approximately 98.9% or 17.90 hours were billed by the Core Team.

(k) Plan of Reorganization Process (Task Code W500) - \$119,068.50

This work primarily included responding to inquiries regarding chapter 11 exit strategies, revising the Plan and Disclosure Statement, performing legal research to prepare a brief in support of confirming the plan, participating in various conference calls and meetings, negotiations resolving disputes relating to objections to the Plan, and exchanging general correspondence in connection therewith.

Of the 206.30 hours billed by WG&M partners, associates, and paraprofessionals to this task code, approximately 99.1% or 204.50 hours of the total hours were billed by the Core Team and an associate with expertise in corporate law.

(l) Plan Implementation (Task Code W510) - \$39,790.50

This work primarily included providing the Debtors with counsel related to the tax implications of the Plan, as well as preparing organizational documents necessary to implement the Plan.

Implementing the Plan required expertise in tax and corporate law. Accordingly, all of the 61.60 hours billed by WG&M partners and associates to this task code were billed by two attorneys with expertise in tax law and two attorneys with expertise in corporate law.

(m) Litigation (Task Code W520) – \$66,650.50

This work primarily consisted of defending, and providing advice related to, a lawsuit filed by Darrell Brewer, the Debtors' former president and chief executive officer.

Because such work relied on an expertise in commercial litigation, of the 107.90 hours billed by WG&M partners, associates, and paraprofessionals to this task code, approximately 96.3% or 103.90 hours were billed by the Core Team, plus a partner, an associate, and a paraprofessional each with expertise in commercial litigation.

20. WG&M submits that the foregoing services were necessary to the administration of these cases, were necessary and beneficial to the Debtors' estates at the time at which such services were rendered, and were performed without unnecessary duplication of effort or expense. WG&M supplemented the Core Team only in instances where specific expertise was necessary in order to preserve or maximize value to the estates. WG&M's request for compensation for such services is reflective of a reasonable and appropriate amount of time expended in performing such services commensurate with the complexity, importance, and nature of the problems, issues, or tasks involved.

### **SECTION 330 FACTORS**

21. The Bankruptcy Code requires the Court to consider "the nature, the extent, and the value of" the services provided to the Debtors by any professional seeking compensation. 11 U.S.C. § 330(a)(3); *see, e.g., American Benefit Life Ins. Co. v. Baddock (In re First Colonial Corp. of America)*, 544 F.2d 1291, 1298-99 (5th Cir.), *cert. denied*, 431 U.S. 904 (1977) (listing twelve factors when considering fee applications); *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714, 717-19 (5th Cir. 1974). This Application contains an analysis of the factors set forth in *First Colonial Corp. of America* and *Johnson*. The following discussion indicates that WG&M's request for compensation in these cases is reasonable:

(a) **Time and Labor Required:** WG&M requests compensation for 987.00 hours during the Compensation Period. WG&M utilized the talents of its paraprofessionals whenever possible for tasks that did not involve the rendering of legal service, but rather required routine preliminary drafting, subject to attorney review, or the sorting and

allocation of information, in order to reduce the overall fees in this matter without any sacrifice to the quality of the services being rendered. Time devoted by the paraprofessionals may be compensated through the Debtors' estates, as set forth in In re Busy Beaver Bldg. Ctrs., Inc., 19 F.3d 833 (3d Cir. 1994). **Exhibit 3** contains a list of attorneys and paraprofessionals employed by WG&M who performed services for the Debtors during the Compensation Period and their respective billing rates.

(b) Novelty and Difficulty of the Questions: As with any large chapter 11 case, the Debtors bankruptcy cases presented a variety of complex bankruptcy, corporate, commercial litigation, and tax law issues.

(c) Skill Requisite to Perform the Legal Service Properly: Bankruptcy is a specialized area of federal practice, requiring knowledge of the Bankruptcy Code and other related federal statutes. Given this interplay with other areas of law, and in order to address the range of issues presented, WG&M was required to draw upon its skill and experience in bankruptcy, corporate, commercial litigation, and tax law.

(d) Preclusion of Other Employment Due to the Acceptance of the Cases: Although WG&M's representation of the Debtors has consumed a significant portion of the time of several of the attorneys who have worked on this matter, WG&M was not precluded from taking other employment as a result of these cases.

(e) Customary Fee: During the Compensation Period, WG&M's hourly billing rates for attorneys ranged from \$355 to \$900 per hour. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy cases in a competitive national legal market. As noted, attached hereto as Exhibit 3 is a schedule listing each WG&M professional and paraprofessional who performed services in

these cases during the Compensation Period, the hourly rate charged by WG&M for services performed by each such individual, and the aggregate number of hours and charges by each such individual. As shown in **Exhibit 3**, WG&M charged a blended rate of approximately \$591.28 for all attorneys (i.e. partners and associates) performing services in the prosecution of the Debtors' bankruptcy cases.

(f) Whether the Fee is Fixed or Contingent: WG&M's fee is neither a fixed nor a contingent fee. Instead, WG&M's fee is based upon the total number of hours expended by WG&M's professionals and paraprofessionals representing the Debtors, plus the actual costs incurred by WG&M.

(g) Time Limitations: Generally, in bankruptcy cases, there are numerous deadlines imposed for the filing of documents, reports, motions, or objections. Moreover, in these bankruptcy cases, WG&M assisted the Debtors and their professionals in, among other things, (i) preparing for hearings and depositions; (ii) resolving both formal and information objections to the Plan; and (iii) otherwise complying with time limitations set forth by the Bankruptcy Code, the Bankruptcy Rules, and the Court. With respect to reviewing and responding to pleadings, WG&M worked within the relevant time limitations and did not seek for any extension of time during the Debtors' bankruptcy cases.

(h) Amount Involved and Results Obtained: WG&M's work helped the Debtors to enter, reorganize in, and exit from chapter 11 as smoothly as possible. Significantly, WG&M's work allowed the Debtors to confirm a plan within 41 days from the Commencement Date and substantially consummate that Plan within 65 days from the Commencement Date. No creditors' committee was appointed and nearly every motion filed was either uncontested, or any objections (whether formal or informal) were resolved prior to

this Court hearing such a motion. To accomplish these results, WG&M worked with the Debtors on a number of issues during the Compensation Period, including, but not limited to, (i) working to ensure the smooth functioning of the Debtors' operations throughout the chapter 11 process, (ii) rejecting certain contracts, (iii) protecting the Debtors' commercially sensitive information; (iv) negotiating, drafting, and obtaining approval of a sophisticated credit facility, and (v) resolving objections to the Plan and working with the Debtors to secured their expeditious emergence from chapter 11 with streamlined operations.

(i) Experience, Reputation and Ability of Attorneys: The Debtors selected WG&M as their counsel because of the firm's extensive general experience and knowledge and, in particular, because of its recognized expertise in the field of debtors' and creditors' rights and business reorganization under chapter 11 of the Bankruptcy Code. The Debtors also selected WG&M as their counsel because of the firm's familiarity with reorganization and debt restructuring of service-based companies. WG&M has a preeminent practice in the business finance and restructuring area and enjoys a national reputation for its expertise in financial and bankruptcy reorganization and restructurings, with over 80 attorneys specializing in this area of practice. WG&M has actively represented debtors in major chapter 11 cases throughout the country including, inter alia, the representation of General Motors, Lehman Brothers, Encompass Services Corp., the New York Racing Association, Parmalat SpA, Armstrong World Industries, Inc., PWS Holding Corporation (Bruno's), Fine Host Corporation, Sun Healthcare Group, Olympia & York Development Limited, Texaco, Inc., Edison Brothers Stores, Inc. (I and II), Weiner's Stores, Inc., G. Heileman Brewing Company, Inc., R.H. Macy & Co., Inc., Eastern Airlines, Inc., Continental Airlines, Inc. (I), Greyhound Lines, Inc., Circle K Corporation, Best Products Co., Inc. (I and II), P.A. Bergner & Co. Holding Company,

FoxMeyer Corporation, The Drexel Burnham Lambert Group, Inc., Pioneer Companies, Inc., Bethlehem Steel Corporation, Adelphia Business Solutions, Enron Corp., Sunbeam Corporation, APW Ltd., Formica, Republic Technologies International, United Companies Financial Corporation, Velocita, WorldCom, Inc., Integrated Health Services, Inc., Mariner Post-Acute Network, Episcopal Health Services, Greater Southeast Community Hospital Corporation, Mission: Health, Inc., United Healthcare (Newark Hospital for Children), FPA Medical Management Inc., Allegheny Hospital Systems, Michigan Health Care, and PHP Health Care.

(j) Undesirability of the Case: Whenever an attorney agrees to represent a debtor, there is an inherent risk that the firm's attorneys' fees and expenses will not be paid. Due to this uncertainty, attorneys frequently choose not to represent debtors.

(k) Nature and Length of the Professional Relationship with the Client: WG&M has provided restructuring services to the Debtors since approximately August 12, 2009.

(l) Awards in Similar Cases: WG&M's requested fees and expenses are similar to fees and expenses paid in other chapter 11 bankruptcy cases of this nature, length of time, and complexity.

22. This Final Application does not include fees or expenses for the preparation of this Final Application. WG&M reserves the right to seek additional compensation for preparing, defending, and prosecuting this Final Application and will seek such compensation directly from the Reorganized Debtors.

### **ACTUAL AND NECESSARY EXPENSES**

23. WG&M seeks reimbursement of actual and necessary expenses incurred by WG&M during the Compensation Period in the aggregate amount of \$28,494.11. Attached hereto as **Exhibit 6** and incorporated herein by reference is a detailed description of the actual

and necessary expenses incurred by WG&M in connection with its employment by the Debtors during the Compensation Period. Such descriptions are incorporated herein by reference.

24. The following is a brief description of each category of disbursements, and the charges incurred by WG&M in each category:

(a) Local Transportation - \$1,217.19

This primarily relates to local transportation costs for professionals working overtime and ground transportation for traveling professionals. WG&M charges provider's cost without markup. WG&M's longstanding firm policy is to provide local transportation home to a professional that works past 8:30 P.M. and, on weekends and holidays, local transportation to and from the office. While every effort was made to minimize these expenses, the time constraints during this period resulted in these charges.

(b) Domestic Travel - \$145.19

This primarily relates to transportation costs for an attorney traveling from New York to prepare for first-day hearings. WG&M charges provider's cost without markup.

(c) Professionals and Paraprofessionals O/T Meals - \$402.64

This relates to meals, capped at \$20.00 per meal, for those attorneys and support staff needing to stay beyond 8:00 PM for dinner. WG&M charges provider's cost without markup.

(d) Postage - \$20.55

This relates to United States Postal Service first-class mail charges for documents and packages, which include the service of court filings. WG&M charges the provider's cost without markup.

(e) Air Courier/Express Mail - \$27.54

This relates to charges based on the use of certain third-party services (e.g. Federal Express or United Parcel Service) for the expedited delivery of documents and packages, which include the service of court filings. WG&M charges the provider's cost without markup.

(f) Duplicating (In House) - \$3,883.05

This relates to internal document duplication charges. WG&M charges \$0.15 per page for internal copying charges. WG&M charges such services at a rate that approximates cost.

(g) Document Scanning and Coding - \$380.55

This category includes the binding of documents, color copies, and document processing. WG&M charges such services at a rate that approximates cost.

(h) Corporation Service - \$18,130.73

This primarily relates to corporate record searches, as well as UCC and other lien searches, performed by third parties during the Debtors' chapter 11 cases. WG&M charges the provider's cost without markup.

(i) Messenger – Courier & Taxi - \$29.90

In two instances, due to certain exigencies during the prosecution of the Debtors' cases, costs were incurred because hard copies of documents needed to be delivered. At those times, WG&M utilized third party couriers to personally deliver such hard copies. In each instance, WG&M charges the provider's cost without markup.

(j) Filing Fees - \$250.00

These charges relate to fees incurred by the Debtors upon filing certain documents and motions. WG&M asks for the costs charged by the Court without markup.

(k) Computerized Research - \$2,863.73

This relates to the cost of online legal research services, such as Lexis and Westlaw. WG&M charges one-half of the provider's normal billing rate. WG&M believes that it does not make a profit on this service as a whole, although the cost of any particular search is difficult to ascertain.

(l) Business Meals - \$501.04

This relates to business meals ordered during or for meetings between the Debtors and WG&M professionals. WG&M charges the provider's cost without markup.

(m) Color Copies - \$592.00

This relates to internal document duplication charges in color. WG&M charges \$1.00 per page for internal color copying charges. WG&M charges such services at a rate that approximates cost.

**NOTICE**

25. Notice of this Application has been given in accordance with the Court's Order, dated October 29, 2009, implementing notice and case management procedures. WG&M submits that no other notice need be given.

26. No previous application for the relief sought herein has been made to this or any other Court.

**CONCLUSION**

WHEREFORE, WG&M respectfully requests (a) allowance of \$518,558.61 for the Compensation Period, representing \$490,114.50 as compensation for professional and paraprofessional services rendered and \$28,444.11 as reimbursement for actual and necessary expenses WG&M incurred, (b) authorization for the Debtors to pay WG&M \$395,038.34, which represents unpaid fees for services rendered during the Compensation Period less the Retainer, (c) authority to seek compensation for preparing, defending, and prosecuting this Application, and (d) for such other and further relief as is just.

IN SUPPORT OF DEBTORS' APPLICATION FOR AUTHORIZATION TO  
EMPLOY AND RETAIN WEIL, GOTSHAL & MANGES LLP AS ATTORNEYS  
FOR THE DEBTORS, *NUNC PRO TUNC* TO THE COMMENCEMENT DATE**

Alfredo R. Pérez makes this declaration (this “**Declaration**”) under 28 U.S.C. § 1746, and states:

1. I am a member of the firm of Weil, Gotshal & Manges LLP (“**WG&M**” or the “**Firm**”), a law firm with principal offices at 767 Fifth Avenue, New York, New York 10153; regional offices in Washington, D.C.; Houston and Dallas, Texas; Miami, Florida; Boston, Massachusetts; Providence, Rhode Island; Wilmington, Delaware; and Redwood Shores, California; and foreign offices in London, United Kingdom; Paris, France; Budapest, Hungary; Warsaw, Poland; Frankfurt and Munich, Germany; Prague, The Czech Republic; Dubai, United Arab Emirates; and Hong Kong and Shanghai, China. I am admitted to practice before this Court.

2. I submit this Declaration in connection with the application dated October 27, 2009 (the “**Application**”) of Express Energy Services Operating, LP (“**EES**”) and its affiliated debtors in the above referenced chapter 11 cases (collectively, the “**Debtors**”), for

approval of the Debtors' retention of WG&M, as their attorneys in the above-captioned chapter 11 cases at their normal hourly rates in effect from time-to-time and in accordance with their normal reimbursement policies, in compliance with sections 327(a), 328(a), 329, and 504 of title 11 of the United States Code (the "**Bankruptcy Code**"), and to provide disclosure required under Rules 2014(a) and 2016(b) of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"). Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein. To the extent any information disclosed herein requires amendment or modification upon WG&M's completion of further review or as additional party-in-interest information becomes available to it, a supplemental Declaration will be submitted to the Court reflecting such amended or modified information.

#### **WG&M's Disinterestedness**

3. Except as set forth herein, to the best of my knowledge, after due inquiry, neither I, WG&M, nor any member or counsel, or associate of the Firm represents any party in interest or any other entity other than the Debtors in connection with these chapter 11 cases.

4. WG&M is a "disinterested person," as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code. Insofar as I have been able to ascertain, I know of no conflict of interest that would preclude WG&M's representation of the Debtors in these cases. To the best of my knowledge, WG&M, its members, counsel, and associates:

- a. are not creditors, equity security holders, or insiders of the Debtors;
- b. are not and were not, within two years before the Commencement Date, a director, officer, or employee of the Debtors;
- c. do not have an interest materially adverse to the interests of the estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors or for any other reason; and

- d. have not represented any party in connection with matters relating to the Debtors, although, as described below, WG&M has certain relationships with other parties in interest and other professionals in connection with unrelated matters.

**WG&M's Prepetition Relationship with the Debtors**

5. In or around March 2008, WG&M began rendering legal services to Macquarie Energy Holdings LLC and its affiliates (collectively, "**Macquarie**"), the Debtors' largest equity sponsor, in connection with Macquarie's investment in the Debtors. WG&M's representation of Macquarie previously included advice concerning the Debtors' affairs, debt obligations, and restructuring alternatives. On or about August 12, 2009, the Debtors retained WG&M to represent and advise them with regard to a potential restructuring of the Debtors' financial obligations. As a result, on August 12, 2009, with the consent of the Debtors and Macquarie, WG&M withdrew from the representation of Macquarie and continued to advise the Debtors exclusively. Macquarie has retained Sidley Austin LLP to advise them in connection with this matter.

6. The Debtors pursued various restructuring efforts from the time of WG&M's retention to the Commencement Date. Ultimately, however, the Debtors determined that restructuring their financial obligations could best be achieved through the chapter 11 process. WG&M was instrumental in helping the Debtors reach an agreement with certain of their senior secured lenders, which enabled the Debtors to file their chapter 11 cases with a pre-arranged plan of reorganization and accompanying disclosure statement. WG&M prepared the chapter 11 petitions for the Debtors, the initial motions, applications, and affidavits relating to these chapter 11 cases, and the proposed plan of reorganization and disclosure statement.

7. WG&M is not a creditor of the Debtors. In the one year prior to the commencement of these chapter 11 cases (the "**Commencement Date**"), WG&M received

advances in the aggregate amount of \$1,341,436.40, from the Debtors on account of services performed and to be performed, including the commencement and prosecution of these chapter 11 cases, and expenses incurred and to be incurred in connection therewith. As of the Commencement Date, the fees and expenses incurred by WG&M during the same one year period and debited against the amounts advanced to it by the Debtors were \$1,226,436.40. The precise amount will be determined upon the final recording of all time and expense charges. As of the Commencement Date, WG&M has a remaining credit balance in favor of the Debtors in the amount of \$115,000 for additional professional services performed and to be performed and expenses incurred and to be incurred in connection with these chapter 11 cases. After application of amounts for any additional prepetition professional services and related expenses, the excess advance amounts will be held by WG&M as a retainer.

8. None of the Debtors' prepetition payments to WG&M constitute voidable preferential transfers pursuant to section 547 of the Bankruptcy Code.

#### **WG&M Disclosure Procedures**

9. WG&M, which employs approximately 1,300 attorneys, has a large and diversified legal practice that encompasses the representation of many financial institutions and commercial corporations. WG&M has in the past represented, currently represents, and may in the future represent, entities that are claimants of or interest holders in the Debtors in matters unrelated to the Debtors' pending chapter 11 cases. Some of these entities are, or may consider themselves to be, creditors or parties in interest in the Debtors' pending chapter 11 cases or to otherwise have interests in these cases.

10. In preparing this Declaration, I used a set of procedures developed by WG&M to ensure compliance with the requirements of the Bankruptcy Code, the Bankruptcy

Rules, and the Bankruptcy Local Rules for the Southern District of Texas, regarding the retention of professionals by a debtor under the Bankruptcy Code (the “**Firm Disclosure Procedures**”).

Pursuant to the Firm Disclosure Procedures, I performed, or caused to be performed, the following actions to identify the parties relevant to this Declaration and to ascertain WG&M’s connection to such parties:

- a. A comprehensive list of the types of entities that may have contacts with the Debtors was developed through discussions with the WG&M attorneys who have provided services to the Debtors and in consultation with senior management of the Debtors (the “**Retention Checklist**”).
- b. WG&M obtained information responsive to the Retention Checklist through several inquiries of the Debtors’ senior management and review of documents provided by the Debtors to WG&M. WG&M then used that information, together with other information identified by WG&M, to compile a list of the names of entities that may be parties in interest in the chapter 11 cases (the “**Potential Parties In Interest**”).
- c. WG&M maintains a master client database as part of its conflict clearance and billing records. The master client database includes the names of the entities for which any attorney time charges have been billed since the database was first created, approximately 25 years ago (the “**Client Database**”). The Client Database includes the name of each current or former client, the names of the parties who are or were related or adverse to such current or former client, and the names of the WG&M personnel who are or were responsible for current or former matters for such client. It is the policy of WG&M that no new matter may be accepted or opened within the Firm without completing and submitting to those charged with maintaining the conflict clearance system the information necessary to check each such matter for conflicts, including the identity of the prospective client, the name of the matter, adverse parties and, in some cases, parties related to the client or to an adverse party. Accordingly, the database is updated for every new matter undertaken by WG&M. The accuracy of the system is a function of the completeness and accuracy of the information submitted by the attorney opening a new matter.
- d. WG&M compared the names of each of the Potential Parties In Interest to client matters in the Client Database for which professional time was recorded during the two years prior to the comparison.<sup>1</sup> Any matches to

---

<sup>1</sup> For purposes of the Firm Disclosure Procedures, WG&M considers an entity a “former client” if all matters for such client have been closed or, if any matters for such client have not been closed, if no billable time for such client has been recorded in the past two years. Because the Firm Disclosure Procedures only reflect client activity during the past two years, matches to client matters outside that timeframe are not reflected in this Declaration.

names in the Client Database generated by the comparison were compiled in a list, together with the names of the respective WG&M personnel responsible for the identified client matters (the “**Match List**”).

- e. A WG&M attorney then reviewed the Match List and deleted obvious name coincidences and individuals or entities that were adverse to WG&M’s clients in both this matter and the matter referenced on the Match List.
- f. Using information in the Client Database concerning entities on the Match List, and making general and, if applicable, specific inquiries of WG&M personnel, WG&M verified that it does not represent and has not represented any entity on the Match List in connection with the Debtors or the chapter 11 cases.
- g. In addition, a general inquiry to all WG&M personnel (attorneys and staff) was sent by electronic mail to determine whether any such individual or any member of his or her household (i) owns any debt or equity securities of any of the Debtors; (ii) holds a claim against any of the Debtors; or (iii) is or was an officer, director, or employee of any of the Debtors.

**WG&M’s Connections with Parties in Interest  
in Matters Unrelated to these Chapter 11 Cases**

11. Either I or an attorney working under my supervision reviewed the connections between WG&M and the clients identified on the Match List and the connections between those entities and the Debtors and determined, in each case, that WG&M does not hold or represent an interest that is adverse to the Debtors’ estates and that WG&M is a “disinterested person” as such term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, for the reasons discussed below.

12. WG&M previously has represented, currently represents, and may represent in the future the entities described below (or their affiliates), in matters totally unrelated to the Debtors:

Matched Entity	Relationship to Debtors	Relationship to WG&M
AIG	Insurer	Current Client
Allied Irish Bank	Secured Lender	Current Client

13. As noted above, WG&M also represented Macquarie in the acquisition of a controlling interest in each of the Debtors, and a variety of related matters. WG&M continues to represent Macquarie on matters unrelated to the Debtors. In addition, WG&M also represents Lehman Brothers Holdings Inc. and its affiliated debtors in their chapter 11 bankruptcy proceedings. Lehman Brothers Commercial Bank is not a debtor in the Lehman bankruptcy proceedings.

14. In addition to the entities identified above, the following entities either (i) have a name similar to a client in the Client Database or (ii) are or may be related to a client (collectively, the “**Potential Clients**”). After a diligent effort, WG&M was unable to determine whether the similarity of names was in fact a name coincidence or whether, and to what extent,

the Potential Client is related to a client in the Client Database. However, out of an abundance of caution, WG&M has confirmed that, similar to the clients identified above, WG&M does not represent any of the Potential Clients in matters related to the Debtors' chapter 11 cases.

Matched Entity	Relation to Debtors	Relation to WG&M
ACE American Insurance Co.	Insurer	May be an Affiliate of a Current Client
Churchill Management Limited	Secured Lender	May be an Affiliate of a Current Client
Gulf Stream Asset Management	Secured Lender	May be an Affiliate of a Current Client
National Union Fire Insurance Company	Insurer	May be an Affiliate of a Current Client
Orix Business Credit	Secured Lender	May be an Affiliate of a Current Client

15. To the best of my knowledge and information, the annual fees paid to WG&M by any of the Current Clients (and their respective affiliates) for either of the last three years did not exceed 1% (one percent) of the annual gross revenue of WG&M for such year, with the exception of Lehman Brothers, AIG, and General Electric.

16. Additionally, WG&M has represented, and may currently represent, entities that hold certain of the Debtors' debt in beneficial accounts on behalf of unidentified parties. These entities, however, maintain no direct financial stake in the Debtors' economic performance.

17. WG&M has not, does not, and will not represent any of the Current Clients or their respective affiliates or subsidiaries in the Debtors' chapter 11 cases or in other matters directly adverse to the Debtors during the pendency of these chapter 11 cases. To the extent issues may arise which would cause the Debtors to be adverse to any of WG&M's clients

such that it would not be appropriate for WG&M to represent the Debtors with respect to such matters, another law firm will be retained to represent the Debtors with respect to such matters.

### **WG&M Personnel Inquiry**

18. As noted above, WG&M has conducted a general inquiry of its personnel to determine whether any WG&M personnel or any member in his or her household (i) owns any debt or equity securities of any of the Debtors; (ii) holds a claim against any of the Debtors; or (iii) is or was an officer, director, or employee of any of the Debtors.

19. As a result of the inquiry, I have determined that no WG&M personnel maintains any connection with or relationship to the Debtors and holds no claims against the Debtors.

20. In addition to the foregoing, through diligent inquiry, I have ascertained no connection, as such term is used in section 101(14)(C) of the Bankruptcy Code, as modified by section 1107(b), and Bankruptcy Rule 2014(a), between WG&M and (i) the United States Trustee for the Southern District of Texas (the “**U.S. Trustee**”) or any person employed by the Office of the U.S. Trustee, (ii) any attorneys, accountants, or financial consultants in the chapter 11 cases, and (iii) any investment bankers that represent or may represent the Debtors or claimants or other parties in interest in the chapter 11 cases, except as set forth herein. As part of its practice, WG&M appears in cases, proceedings, and transactions involving many different attorneys, accountants, financial consultants, and investment bankers, some of which now or may in the future represent claimants and other parties in interest in these cases. WG&M has not represented, and will not represent, any of such parties in relation to the Debtors or their chapter 11 cases. WG&M does not have any relationship with any such attorneys, accountants, financial consultants, and investment bankers that would be adverse to the Debtors or their estates.

21. Because distressed debt is actively traded in the commercial markets, WG&M may be unaware of the actual holder of such debt at any given moment. Because WG&M represents in unrelated matters numerous entities that may buy and sell distressed debt of chapter 11 debtors, out of an abundance of caution, I am listing here many such entities represented by WG&M: Salomon Smith Barney, Donaldson Lufkin Jenrette, JP Morgan/Chase Manhattan Bank, Bay Harbour Management, Mackay Shields, Perry Corporation, Whipporwill Associates, Teachers Insurance Company, Elliott Associates, Morgens Waterfall Vintiades & Co., Oaktree Associates, Argent Capital, Leucadia Corporation, Halcyon Management Co., Bennett Management Co., Resurgence Asset Management Co., M.D. Sass & Co., Angelo, Gordan & Co., Venor Capital Management, GSO Capital Partners, and Goldman Sachs & Co. In addition, WG&M has represented, may currently represent, and may in the future represent entities with respect to matters involving legal and regulatory authorities such as the Securities Exchange Commission and the Federal Trade Commission, among others, which may be involved in the Debtors' chapter 11 cases.

22. WG&M will continue to apply the Firm Disclosure Procedures as additional information concerning entities having a connection with the Debtors is developed and will file appropriate supplemental disclosure with the Court.

#### **WG&M's Rates and Billing Practices**

23. WG&M's current customary hourly rates, subject to change from time to time, are \$675 to \$950 for members and counsel, \$355 to \$640 for associates and \$50 to \$310 for paraprofessionals in our United States offices.

24. WG&M's disbursement policies pass through all out of pocket expenses at actual cost or an estimated actual cost when the actual cost is difficult to determine. For example, with respect to duplication charges, WG&M will charge \$.10 per page because the

actual cost is difficult to determine. Similarly, as it relates to computerized research, WG&M believes that it does not make a profit on that service as a whole although the cost of any particular search is difficult to ascertain. Other reimbursable expenses (whether the service is performed by WG&M in-house or through a third party vendor) include, but are not limited to, facsimiles, toll calls, overtime, overtime meals, deliveries, court costs, cost of food at meetings, transcript fees, travel, and clerk fees.

25. No promises have been received by WG&M or any member, counsel or associate thereof as to payment or compensation in connection with these cases other than in accordance with the provisions set forth herein. WG&M has no agreement with any other entity to share with such entity any compensation received by WG&M or by such entity.

26. The Debtors' Application requests, pursuant to section 328(a) of the Bankruptcy Code, approval of their retention of WG&M on rates, terms and conditions consistent with what WG&M charges non-chapter 11 debtors, namely, prompt payment of its hourly rates as adjusted from time to time and reimbursement of out-of-pocket disbursements at cost or based on formulae that approximate the actual cost where the actual cost is not easily ascertainable. Subject to these terms and conditions, WG&M intends to apply pursuant to section 330 of the Bankruptcy Code for allowances of compensation for professional services rendered in these chapter 11 cases and for reimbursement of actual and necessary expenses incurred in connection therewith.

#### **Coordination with Other Professionals for the Debtors**

27. WG&M is aware that the Debtors have submitted, or intend to submit, applications to retain Alvarez & Marsal North America, LLC as their restructuring and financial advisors and The Garden City Group, Inc. as their claims, noticing, and balloting agent in their

chapter 11 cases. WG&M intends to carefully monitor and coordinate efforts of all professionals retained by the Debtors in the chapter 11 cases and will clearly delineate their respective duties so as to prevent duplication of effort, whenever possible.

28. The foregoing constitutes the statement of WG&M pursuant to sections 327(a), 328(a), 329, and 504 of the Bankruptcy Code and Bankruptcy Rules 2014(a) and 2016(b).

I declare under penalty of perjury that, to the best of my knowledge, and after reasonable inquiry, the foregoing is true and correct.

FOR THE DEBTORS, NUNC PRO TUNC TO THE COMMENCEMENT DATE**

Alfredo R. Pérez makes this supplemental declaration (this "**Supplement**") under  
28 U.S.C. § 1746, and states:

1. I am a member of the firm of Weil, Gotshal & Manges LLP ("**WG&M**"),  
and I am admitted to practice before the Court.
2. On October 27, 2009 (the "**Commencement Date**"), I submitted a  
declaration (Docket No. 21, Ex. B, the "**Declaration**") in connection with the application of  
Express Energy Services Operating, LP and its affiliated debtors in the above referenced chapter  
11 cases (collectively, the "**Debtors**"), for approval of the Debtors' retention of WG&M, as their  
attorneys in the above-captioned chapter 11 cases.
3. I submit this Supplement to provide more precise amounts for certain  
payments made in connection with fees and expenses incurred by WG&M with respect to  
services provided to the Debtors. To the extent any information disclosed herein or in the

Declaration requires amendment or modification upon WG&M's completion of further review or as additional information becomes available, another supplemental Declaration will be submitted to the Court reflecting such amended or modified information.

4. The Declaration provides that in the one year prior to the Commencement Date, WG&M received advances in the aggregate amount of \$1,341,436.40 from the Debtors on account of services performed and to be performed, including the commencement and prosecution of these chapter 11 cases, and expenses incurred and to be incurred in connection therewith. Declaration, ¶ 7. Further, for that same one year period, the fees and expenses incurred by WG&M during that same one year period and debited against amounts advanced by the Debtors were \$1,226,436.40. Id.

5. Upon further review, the fees and expenses actually incurred by WG&M during the one year period prior to the Commencement Date and debited against the amounts advanced by the Debtors were \$1,217,916.13. Accordingly, as of the Commencement Date, WG&M has a remaining credit balance in favor of the Debtors in the amount of \$123,520.27 for additional professional services performed and to be performed and expenses incurred and to be incurred in connection with these chapter 11 cases. The excess advance amounts will be held by WG&M as a retainer.

I declare under penalty of perjury that, to the best of my knowledge, and after reasonable inquiry, the foregoing is true and correct.

FIRST AND FINAL APPLICATION OF WEIL, GOTSHAL & MANGES LLP  
AS ATTORNEYS FOR THE DEBTORS, FOR FINAL ALLOWANCE OF  
COMPENSATION FOR PROFESSIONAL SERVICES RENDERED AND  
REIMBURSEMENT OF ACTUAL AND NECESSARY EXPENSES INCURRED  
FROM OCTOBER 27, 2009 THROUGH DECEMBER 7, 2009**

I, Alfredo R. Pérez, hereby certify that:

1. I am a partner with the applicant firm, Weil, Gotshal & Manges LLP (“**WG&M**”), and submit this certification with respect to the chapter 11 cases of Express Energy Services Operating, LP and its affiliated reorganized debtors (collectively, the “**Reorganized Debtors**” or the “**Debtors**”), in compliance with the Guidelines for Compensation and Expense Reimbursement of Professionals in the United States Bankruptcy Court for the Southern District of Texas (the “**Local Guidelines**”) and the Order dated November 17, 2009 authorizing the Debtors to retain WG&M [Docket No. 122] (the “**WG&M Retention Order**,” and together with the Local Guidelines, the “**Guidelines**”).

2. In accordance with the Guidelines, this certification is made in respect of WG&M’s First and Final Application, dated February 16, 2010 (the

**“Application”**”), seeking (i) the final allowance of compensation for professional services rendered from October 27, 2009 through December 7, 2009 (the **“Compensation Period”**) and (ii) reimbursement of its actual and necessary expenses incurred during the Compensation Period.

3. In respect of section I.G of the Local Guidelines, I certify that:
  - a. I have read the Application;
  - b. to the best of my knowledge, information, and belief formed after reasonable inquiry, the fees and disbursements sought fall within the Guidelines except as specifically noted herein and described in the Application;
  - c. the fees and disbursements sought are billed at rates in accordance with practices customarily employed by WG&M and generally accepted by WG&M’s clients; and
  - d. in providing a reimbursable service, WG&M does not make a profit on that service, whether the service is performed by WG&M in-house or through a third party, except perhaps with respect to photocopying charges which WG&M is charging \$0.15 per page since the actual cost is difficult to determine. As it relates to computerized research, WG&M charges one-half of the provider’s normal billing rate. WG&M believes that it does not make a profit on that service as a whole, although the cost of any particular search is difficult to ascertain.
